TELEPORT
SINGAPORE

A gift your client has *never* been given.

A day written around one person, set in the real city, with live actors. Everyone she meets is in on it — only she does not know the ending.

- For one client or one couple: an anniversary, a milestone birthday, a proposal, a thank-you.
- For your team of up to 12: a year-end that is a story, not a dinner and dance.
- Nothing filmed or shared unless asked. Singapore; worldwide on request.

In Amsterdam, a sister gave one to her sister.

A stranger knew her name. Then a magazine with her face on the cover. By the afternoon, an exhibition of her.
